Reminders:

1. Cart rentals are the responsibility of the renter (at the time of rental) unless a sponsorship is purchased that includes a cart rental.
2. Cart rentals are subject to availability and will be awarded to sponsorships first (based on sponsorship level). Please do not call Central Penn to reserve your cart prior to the event. Based on typical volume demand we recommend someone in your group either bring their own cart or pushcart for guns and ammo if you do not have a sponsorship.
3. Central Penn has moved to electronic monitoring of clays. Any additional clays that are thrown are the responsibility of the individual teams and not the event.
